January 2023,

Dear Donors & Volunteers

Thank you for your Gift contributions we received on 12/21/2022. Your contributions will be used to continue the San Diego Coalition gift giving week for Christmas distribution throughout the week 12/19-23/2022 of 2023. The 2022 Year was another bitter and cold year with the families & homeless in San Diego and throughout the Country for our families in need☺. Thanks to your blessing of your generous gifts! We are able to continue the quest in New Year 2023. We provide meals for our families & homeless through the year and Christmas event. We have been and will continue to provide meals throughout the week to families that drive through or walk through the facilities that welcome us to give to our neighbor's boxes of food which consist our five food groups fruits, vegetables, grains, proteins and dairy. You helped purchase from the San Diego Food Bank. In addition, we provided gift cards for fast-food places for the homeless that do not have access to refrigerators, stoves, microwaves etc... it warmed our hearts to see how blessed and thankful they were throughout the year!

The San Diego Coalition for the Homeless is a 501(c)3 Public Charity that has provided hope and help to needy individuals and their families since 1979. Our mission is **“To empower the homeless and at-risk individuals by providing food and professional service to improve lives by replacing despair with hope, self-respect and dignity”**.

Donations have decreased but our less fortunate neighbor's needs have increased. Donations like yours give us the encouragement to continue what we do, knowing there are people who believe in what we do for others.

We extend our best wishes for happiness and prosperity in 2023.

Thank you,

Bill Sturgeon
